Akane, Canada

What is a typical morning for you? A typical morning for me involves getting up with the alarm clock, turning on the news, taking a shower, and I make toast everyday, but I don't have a toaster so I have to toast my toast on the frying pan and then *flip it over* to the other side and then I put margarin on it and a slice of cheese and I have that with a cup of tea every morning.

Martin, United States

A typical morning for me is generally getting up, turning on the computer and reading the news. After that I take a shower *like everybody else*, shave, and then have to have my coffee and my yogurt, and then maybe a quick 5, 10 minute workout and *off to work I go*.

Naomi, Australia

Usually in the morning, I'll wake up at about 7:30 and I'll put the kettle on and make myself a cup of coffee. Often also, I'll toast myself some bread with butter and Veggiemite.

After this, after breakfast, I will brush my teeth and get ready for classes.

Jeyong, South Korea

A typical morning for me would be getting up at 7 o'clock in the morning. Open up the window and go to the bathroom, take a shower, get my hair dried, put my clothes on and have a breakfast. That would be a typical morning for me.

Mark, United States

A typical morning for me? I guess like anyone else, I wake up. I usually don't eat breakfast right away, but I get a shower and get dressed for work and usually grab a quick breakfast *on my way out the door*. That's typical morning on the week. On the weekend, I used to sleep in but actually these day, I like to get up earlier on the weekend, than during the week because I feel that's my one free day, so I get up pretty early and usually go do something on that Saturday or Sunday.

Jeanie, United States

OK, a typical morning for me is pretty hectic. It usually involves *squeezing* too many things in too little time. Ah, usually I wake up and I go running. After which, I have to take a shower and prepare myself for classes I'll be teaching, not just for one day, but mostly for the whole week, reviewing things that have gone wrong, and things that can maybe be improved.

Avicii - „Wake Me Up“

Listen and complete the song.

Feeling my way through the
Guided by a beating
I can't tell the journey will end
But I know where to

They tell me I'm too to understand
They say I'm caught up in a
Well will pass me by
if I don't open up my
Well that's fine by me

So me up when it's all over
When I'm wiser and I'm
All this I was finding myself
And I didn't know I was

So me up when it's all over
When I'm wiser and I'm
All this I was finding myself
And I didn't know I was

I tried carrying the weight of the
But I only have hands
I hope I get the to travel the world
And I don't have any

I wish that I could stay this young
Not afraid to close my

Life's a made for everyone
And is the prize

So me up when it's all over
When I'm wiser and I'm
All this I was finding myself
And I didn't know I was

So me up when it's all over
When I'm wiser and I'm
All this I was finding myself
And I didn't know I was

I didn't know I was

Mostly Harmless
