## GREEK AND ROMAN CULTURES

The Greek culture, together with the Roman one,  fascinated humans for centuries. Sadly, many people today  know the differences between Greeks and Romans.

Some people think Romans are an extension of Greeks; others assume that the two are similar. In fact, the two are very different  one another, and show opposite life values.

Greeks and Romans were great architects. Greeks used to  more about shape than function. They  the most important thing was making beautiful buildings. , Romans were perfect engineers. For , street planning and use had the greatest importance.

Greeks admired poets and philosophers,  Romans admired their soldiers who were extremely brave and successful.
